Neb that was fantastic!!! Could not work out how ANY of it was done! Everyone loved you and I can tell you, they are not an easy bunch to impress. Amazing, funny, and really created quite the atmosphere. If you're looking for virtual entertainment, I would whole-heartedly recommend you book Neb, you will not be disappointed.

Wow - amazing! Totally enthralling. Neb has to be seen to be believed. He is such a nice guy and interacted perfectly with all our guests - young and old. He really got our 30th wedding anniversary party started. I can't recommend him more highly. Thanks Neb x

Booked Neb for a virtual family get-together. I was a bit sceptical as to how well magic would come across via Zoom, but, wow! The tricks were pulled off without the use of any camera trickery, and he engaged with everyone throughout.

Some of the tricks were so crazy, it was like he was in our houses looking at what we were doing. Unbelievable!

Would 100% recommend this for family get togethers, especially when we can't all be together.

Booked Neb for a 45 min show last week and just WOW. Honestly didn't expect it to be that good and EVERYONE agreed it was definitely the best zoom experience that they've had. Absolutely mind blowing, would highly recommend. Thank you so much Neb!!!!
